

Casino Night - March 2015

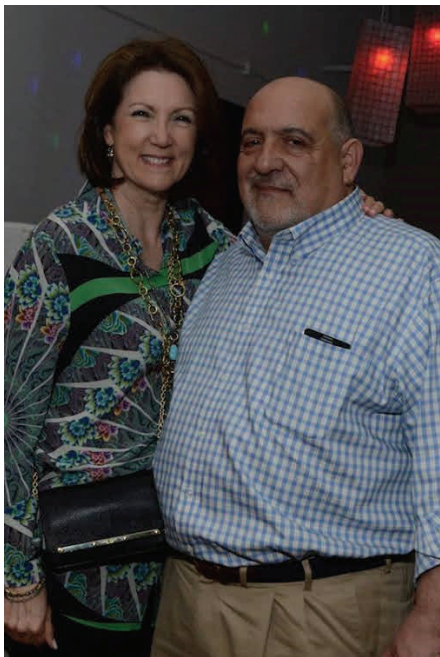

Shared Housing Center

NEW EVENT - GREAT BET

The fundraising committee decided it was time to host an event - for “fun”raising. The idea and the majority of the planning was done by Dawn Siemiet, VP of SHC and two of her colleagues from Southwest Airlines. “The venue 7 for Parties was great! The food was catered by Wendy Krispin and Blackjack with Class brought in some serious games. We had a blast decorating the tables with chocolate coins and fabulous sunglasses. It also helped that our guests were greeted with complimentary manhattans and wine. Thanks to all who supported and joined us that evening.”

DAWN

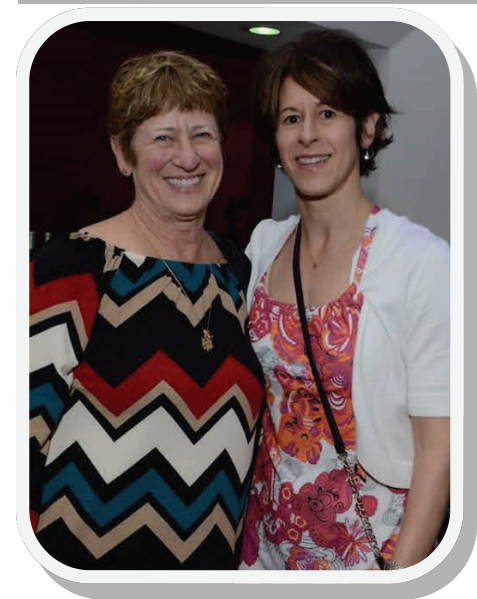

SERIOUS PLAYERS!

From black jack to the craps table, the noise levels reveled some of the best casinos. Some of the guests sampled all of the games, others stayed true to their games. In the end, all bets were for a great cause of course - - - - Shared Housing & the Green Haus on the Santa Fe Trail!

PARTY GUESTS!

For a few hours our guests enjoyed an evening flowing with food, drinks and great music (thanks to staff member Camille's hubby - Eddie) and of course the games. Some of our friends caught up with one another, others formed new friendships and others just came to play.
